INTRODUCTION

March Tempo

(Well marked)
Our coun-try's flag-see where it waves, From coast to coast!— Be-
And when be-neath the star-ry folds Our task is done,— All
'Til jus-tice rules o'er all the earth No long-er blind,— 'Til
neath its folds, u-nit-ed stand A migat-y host,—
men on earth shall broth-ers be Their free-dom won.—
then we'll keep our flag un-furled, With stead-fast mind,—
Read-y to bat-tle with the strong, Pro-tect the weak, To
No more shall man kill broth-er man At man's be-hest. Our
And trust that God will lead us on, Pro-tect the brave, That

to the world as free - dom's sign Our flag shall wave.
CHORUS
For free - dom and e - qual - i - ty We'll march and fight, And
tramp the doc - trine in the dust That might is right. We'll
teach the world's au - to - cra - cy That might's NOT right, For
free - dom and de - mo - cra - cy We'll march and fight.
